

**TO ALL COMMISSION MEMBERS, COOPERATING NON-MEMBERS AND  
PARTICIPATING TERRITORIES**

**Circular No. : 2012/47**

**Date: 19 July 2012**

**No. pages: 3**

**URGENT**

Dear All:

**Annual Reports Part 1 and Part 2**

Pleased find attached a list of all members who still have outstanding Part 1 and part 2 reports as well as fished and did not fish reports for 2012. If we have missed any of these you have my apologies upfront but we have taken this list from the completed list of reports we have recorded for CMS purposes. The Part 1 reports were due here at the Commission on 8 July 2012, the Part 2 reports were due on 1 July 2012. The Fished/ Did not fish reports were due 1 July 2012. We have undertaken to get to you the draft CMR reports for comment by 28 July so that you have a month to respond prior to the Secretariat finalizing the report for TCC.

If you want this process to work you need to deliver these reports to us on time or as I highlighted at the WCPFC8 meeting this process with its tight time schedules becomes an impossibility. Could you please forward your outstanding reports to the Secretariat immediately please so that we can try to meet our obligations to you in processing the initial and final CMS reports.

Thanks in anticipation.

Professor Glenn Hurry  
Executive Director  
Western and Central Pacific Fisheries Commission

### Late Part 1 and 2 Annual reports

As advised in **Circular No. : 2012/35, dated 24 May 2012** WCPFC8 agreed on the following deadlines for Annual Report and Compliance Monitoring Processes during 2012.

	Template to be used	Deadline
<b>Annual Report Part 2 covering 2011 activities</b>	Provided on WCPFC website: <a href="http://www.wcpfc.int/compliance-monitoring/">http://www.wcpfc.int/compliance-monitoring/</a>	<b>1 July 2012</b> (as decided at WCPFC8)
<b>Annual Report Part 1, covering 2011 activities</b>	Attachment N of the SC4 Summary Report, including requests from paragraph 9 of CMM-2007-04, paragraph 8 of CMM-2009-03, paragraph 11 of CMM-2009-06, and paragraph 4 of CMM-2010-07	<b>8 July 2012</b> (one-month prior to the annual regular session of the Scientific Committee)
<b>Draft CMR covering 2011 activities circulated to each CCM</b>	Prepared by the Secretariat, and probably based on last years format	<b>28 July 2012</b> is the date specified in CMM 11-06 for the Secretariat to circulate a draft CMR to each CCM for their review.
<b>CCM provides comments to Secretariat on draft CMR</b>		<b>28 August 2012</b> is the date specified in CMM 11-06 for CCMs to provide clarifications, amendments or corrections as necessary on the draft CMR, as well as to identify particular causes for compliance issues.

To assist the Secretariat with keeping track of CCM submissions of Annual Report Part 1 and Part 2, as well as draft CMR reports, the Secretariat has dedicated email address that we ask CCMs to use for formal submissions of Annual Report Part 1 and Part 2, as well as draft CMR correspondence: **contact.AR@wcpfc.int**.

### Late “Fished” or “Did Not Fish” RFV reports

Around June 6 2012, the Secretariat sent a “**Fished**” or “**did not fish**” template to each CCM’s RFV contact, which is a list of their flag vessels that the Secretariat records show were on the WCPFC Record of Fishing Vessels at some point during 2011. This template is to assist CCMs with meeting the reporting requirement in CMM 2009-01, paragraph 9, and also assists the Secretariat with ease of upload of the reports into the WCPFC RFV. We would like to take this opportunity to request the CCMs who have not yet returned a completed template to submit these as soon as possible to **contact.rfv@wcpfc.int** . Any queries or assistance, including requests to a resend of fished or did not fish templates, can also be made through this email address.

**List of CCMs with outstanding Annual Reports (covering for 2011 activities) and “Fished and did not fish” for 2011 (Due 1 July CMM 2009-01, paragraph 9)\_as at 18 July 2012**
