**SUMMARY OF SUBMISSIONS OF ANNUAL REPORT PART 1 AND ANNUAL REPORT
PART 2**

WCPFC-TCC10-2013-IP01_rev2¹
12 September 2014

Paper prepared by the Secretariat

Background

1. This paper provides information on the annual reporting submissions by CCMs as required by the Commission. WCPFC Convention Articles 23 and 25 require CCMs to annually provide information to the Commission on fishing activities by its flagged vessels. Since WCPFC2, a two-part reporting format has been used by CCMs to report on their fishing activities and the implementation of conservation and management measures for the preceding year. Annual Report Part 1 is intended to provide a summary of each CCMs fisheries, research and statistics information for the preceding calendar year and recently includes specific CMM-related reporting requirements related to the preceding calendar year. Annual Report Part 2 is a report on management and compliance measures taken by CCMs in the previous year. The dates for submission and the formats for reporting have varied over time.

Developments in 2014

2. The development of an online interface for Annual Report Part 2 was successfully implemented and rolled out to CCMs in 2013. This year, the Annual Report Part 2 online template benefited from further enhancements, in part, due to an upgrade from Sharepoint 2010 to Sharepoint 2013. The Secretariat announced the availability of the Annual Report Part 2 online template on 24 March 2014 in WCPFC Circular No. 2014/19.

3. At the end of March 2014, the WCPFC Secretariat attended the FFA MCS Working Group meeting and working alongside the FFA Secretariat, was able to assist many FFA members with their Annual Reports Part 2. In addition, throughout the year the Secretariat was able to work with and assist many CCMs electronically with their Annual Reports Part 2 – this assistance was often in response to specific requests from CCMs, or CCMs accepting the Secretariat offers to assist them.

4. Completion and submission by CCMs of the Annual Report Part 2 online enables part of the draft Compliance Monitoring Report to be auto-populated with the answers from Annual

¹ Table 1 includes a few updates

Report Part 2 (“CCM Assessment” and “CCM Implementation”). In addition, the Secretariat is able to track CCM’s activity on the online template, and was able to offer assistance to CCMs as required and send out reminders to those yet to complete their report or showing non-activity on the online template, as the deadline drew closer. These efforts may have contributed, in part, to the improvements in timely submission by CCMs of their Annual Report Part 2 in 2014. This year, 76% of Annual Report Part 2 submissions were received on time, compared to 62% last year.

5. Table 1 provides a summary of the timeliness of the submission of Annual Reports Part 1 and Part 2 in 2014, covering 2013 activities. It also provides, for comparison, submission of Annual Reports Part 1 and Part 2 for the past three years, after the Compliance Monitoring Scheme was first adopted in 2010. As at 12 September 2014, there are still four 2014 Annual Reports Part 1 and five 2014 Annual Reports Part 2, outstanding. Of the five expected Part 2 reports still outstanding, the online template shows these CCMs have not started completing the online template yet.

6. In 2014, the improved timeliness of submissions by CCMs of Annual Reports Part 1 and Part 2 did assist the Secretariat with being able to meet the deadline in CMM 2013-02 *Conservation and Management Measure for Compliance Monitoring Scheme* of 28 July for circulation to CCMs their individual draft Compliance and Monitoring Report (dCMR). This year, as part of the continued enhancements to the Information Management System (IMS), CCMs can view and provide comments on their dCMR, online. Advice of availability online for 38 CCMs of their relevant dCMRs was announced on 29 July 2014 in Circular No. 2014/62.

Administration notes

7. CCMs are reminded that the Secretariat is available to assist with any queries related to, or in their preparation of, their Annual Reports. All enquiries related to Annual Reports should be directed to contact.ar@wcpfc.int
