Subject: CCM request Additional Time to complete investigations

Dear Dr. Lara,

CCM (RMI) makes references to the following pending issues covered in the Online Compliance Cases: 1) CMM 2010-07 RY 2016 - 2 cases in progress; 2) CMM 2011-03 - 1 case in progress; 3) CMM 2012-04 - 1 case in progress; 4) CMM 2007-01 14 (vii) - 1 case in progress (RY 2016) and 2 cases in progress (RY 2015); and 5) Pre-Notification Issues highlighted for 2016. Due to the time limitation and workload to review all 32 counts on the Pre-Notification Issues for 2016.

CCM requests that further time be given in order for CCM to fully expedite all compliance cases related to CCM's Flagged Vessels. With all pending cases needing additional time due to the inability to access all case files pertaining to the Online Compliance Cases 2015 and 2016 (e.g. missing vital information from the Observer's Report to compare with the GEN-3 Forms on alleged infringements; missing journal pages to formulate a valid response to the alleged issues on the Pre-Notification cases; late receiving few cases relating to Pre-Notification issues; etc.). Therefore, as a general response to all pending Online Compliance Cases for 2015 and 2016, CCM request for additional time to complete its full investigations by anticipated time frame November 30, 2017.

Thank you very much,

Laurence
