

**VACANCY**  
**ASSISTANT MANAGER - SCIENCE PROGRAMME (AMS)**  
**Professional Level J**

The Western and Central Pacific Fisheries Commission (WCPFC) invites applications from suitably experienced and qualified individuals for the Professional Staff post of Assistant Manager on Science Programme (AMS) to be based at its headquarters at Kolonia, Pohnpei State, Federated States of Micronesia. Information about the WCPFC is available at [www.wcpfc.int](http://www.wcpfc.int). Working as a member of a small, multi-national team in a challenging environment, the successful candidate will support the Science Manager in coordinating and implementing science programmes and providing scientific information to the work of the Commission and its subsidiary bodies. This includes provision of support to the regular meetings of the Commission, administration of science programme projects, coordination of data related work of the Commission, maintenance of various records and any other support of the work for the Commission's science and the Science Manager. Additional information, including terms of reference, proposed commencement date is second quarter of 2011 and conditions of employment, are available on request from Dr SungKwon Soh, Science Manager, WCPFC Secretariat ([sungkwon.soh@wcpfc.int](mailto:sungkwon.soh@wcpfc.int) or telephone +691 320 1992). Applications, which close on 28 February 2011, should be addressed to:

Executive Director, WCPFC Secretariat, P.O. Box 2356, Kolonia, Pohnpei State 96941, Federated States of Micronesia

All applications should be clearly identified as an application for the post of Assistant Manager on Science Programme (AMS). Applications may also be sent via e-mail.
