Call for Project Proposals for the Chinese Taipei Trust Fund

Dear Members and Participating Territories,

The Chinese Taipei Trust Fund was established in 2016 to help build the capacity of developing State Parties to the WCPFC Convention, particularly Small Island Developing States, to carry out monitoring, control, and surveillance activities in accordance with Article 30 of the WCPFC Convention, the WCPFC Compliance Monitoring Scheme, and Conservation and Management Measure 2013-07. Although designed as a five-year program, considering the global pandemic and the growing needs for capacity building, the Fund operation will be extended for 1 year and continue to support with the above aims in 2022.

WCPFC developing State Members and participating territories are encouraged to submit project proposals for funding in 2022 by filling out the attached proposal template and sending it to Fund Coordinator Joseph Chia-Chi Fu (joseph@ofdc.org.tw or chiachifu@gmail.com). It is requested that proposals be submitted by February 28, 2022, so as to facilitate fund operations.

Recipients of project funding in 2021 and previous years are encouraged to report their progress and/or outcomes using the attached report template. This information would be relevant for the evaluation of the Fund operation.

Should you require additional information, please feel free to contact the Fund Coordinator. Related information can also be found on the WCPFC web page about the Implementation of Article 30 of the Convention (<https://www.wcpfc.int/implementation-article-30-convention>).

I wish you all a safe and healthy 2022.
