Notes on AGGREGATE CATCH/EFFORT DATA

9	The unit of effort is "sets" rather than "days fished or searched".
10	The purse-seine catch/effort data are not stratified by school association
13	The data are aggregated by 5°x5° instead of 1°x1° ([PURSE SEINE])
24	Aggregate data were not provided, but have been generated from operational data made available to the WCPFC
